ABN 30 490 675 447

OPERATING REPORT

In accordance with Section 254 of the Fair Work (Registered Organisations) Act 2009 ("Act") the Committee of Management present their Operating Report on Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) ("the Union"), the relevant Reporting Unit for the financial year ended 31 March 2019.

Principal Activities

The principal activities of the Union during the financial year were to represent the industrial, professional and political interests of Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) workers in the State of Victoria.

Operating Result

The results of the principal activities of the Union during the financial year was to further the interests of Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) workers through improvements in wages and conditions, health and safety, legal rights and company compliance with Australian labour standards.

The operating profit of the Union for the financial year was \$79,059 (2018: \$95,334). No provision for tax was necessary as the Union is exempt from income tax.

Significant changes in financial affairs

There were no significant changes in the principal activities or financial affairs of the Union during the financial year.

Rights of members to resign

Pursuant to the Reporting Unit Rule 21 and Section 174 of the Fair Work (Registered Organisations) Act 2009, members have the right to resign from membership by providing written notice addressed to and delivered to the Secretary of the Reporting Unit.

A notice of resignation from membership of the Union takes effect:

- (a) where the member ceases to be eligible to become a member of the Union
 - (i) on the day on which the notice is received by the Union
 - (ii) on the day specified in the notice which is a day not earlier than the day when the member ceases to be eligible to become a member;

whichever is the later, or

- (b) in any other case:
 - (i) at the end of two weeks after the notice is received by the Union, or
 - (ii) on the day specified in the notice
 - whichever is the later.

Superannuation Officeholders

No officer or member of the Union is:

- (a) is a trustee of a superannuation entity or an exempt public sector superannuation scheme; or
- (b) a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme.

ABN 30 490 675 447

OPERATING REPORT continued

Other Prescribed Information

In accordance with Regulation 159 of the Fair Work (Registered Organisations) Regulations 2009 ("Regulations"):

- (a) the number of persons that were, at the end of the financial year to which the report relates, recorded in the register of members for Section 230 of the Act and who are taken to be members of the Union under section 244 of the Act was 4,339 (2018: 4,387). Total non-financial members at the end of the financial year was 242. (2018:314)
- (b) the number of persons who were, at the end of the financial year to which the report relates, employees of the Union, where the number of employees includes both full-time and part-time employees, measured on a full-time equivalent basis was 9.5 (2018:8.5).
- (c) the names of each person who have been a member of the Committee of Management of the Union at any time during the reporting period, and the period for which he or she held such a position were;

COMMITTEE OF MANAGEMENT STATEMENT FOR THE YEAR ENDED 31 MARCH 2019

On the 24 July 2019 the Committee of Management of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) ("Union/Reporting Unit") passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 31 March 2019:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) no revenue has been derived from undertaking recovery of wages activity during the reporting period;
- (g) a copy of the full financial report to be published on the Union website.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies

1.1 Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, the reporting unit is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Significant accounting judgements and estimates

The committee of management evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

Key estimates

The committee of management assesses impairment at each reporting date by evaluating conditions specific to the entity that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined.

Key judgments

No key judgments have been used in the preparation of this financial report.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.4 New Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

Impact on adoption of AASB 9 Initial application

AASB 9 Financial Instruments (AASB 9) replaces AASB139 Financial Instruments: Recognition and Measurement (AASB 139) for annual periods beginning on or after 1 January 2018, bringing together all three aspects of the accounting for financial instruments: classification and measurement; impairment; and hedge accounting.

The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) has applied AASB 9 retrospectively, with an initial application date of 1 April 2018. The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) has not restated the comparative information, which continues to be reported under AASB 139. Any differences arising from the adoption of AASB 9 have been recognised directly in opening retained earnings and other components of equity as at 1 April 2018. The nature and effect of the changes as a result of adoption of AASB 9 have had minimal impact due to the nature of operations.

Future Australian Accounting Standards Requirements

New standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to the future reporting period that are expected to have a future financial impact on the reporting unit include:

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.4 New Australian Accounting Standards continued

Future Australian Accounting Standards Requirements

| Standard Name | Effective date for entity | Requirements | Impact |
|---|------------------------------|--|---|
| AASB 15 Revenue from contracts with customers AASB 2014-5 Amendments to Australian Accounting Standards arising from AASB 15 AASB 2015-8 Amendments to Australian Accounting Standards – Effective date of AASB 15 | 31 March 2020 | AASB 15 introduces a five step process for revenue recognition with the core principle of the new Standard being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the entity expects to be entitled in exchange for those goods or services. Accounting policy changes will arise in timing of revenue recognition, treatment of contracts costs and contracts which contain a financing element. AASB 15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements. | The impact of AASB 15 has not yet been quantified. |

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.4 New Australian Accounting Standards continued

Future Australian Accounting Standards Requirements

| Standard Name | Effective date for entity | Requirements | Impact |
|---------------|---------------------------------|---|--|
| AASB16 Leases | 31 March 2020 | AASB 16 will cause the majority of leases of an entity to be brought onto the statement of financial position. There are limited exceptions relating to short-term leases and low value assets which may remain off- balance sheet. The calculation of the lease liability will take into account appropriate discount rates, assumptions about lease term and increases in lease payments. A corresponding right to use asset will be recognised which will be amortised over the term of the lease. Rent expense will no longer be shown; the profit and loss impact of the leases will be through amortisation and interest charges. | Whilst the impact of AASB 16 has not yet been quantified, the entity currently has \$15,048 worth of operating leases which we anticipate will be brought onto the statement of financial position. Interest and amortisation expense will increase and rental expense will decrease. |

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.5 Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Receivables for goods and services, which have 30 day terms, are recognised at the nominal amounts due less any impairment allowance account. Collectability of debts is reviewed at end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

1.6 Capitation fees and levies

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

1.7 Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 Employee Benefits) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

1.8 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The discount rate used is the interest rate implicit in the lease. Leased assets are amortised over the period of the lease. Lease payments are allocated between the principal component and the interest expense.

Operating lease payments are expensed on a straight-line basis which is representative of the pattern of benefits derived from the leased assets.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.9 Cash

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank and other short-term highly liquid investments that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

1.10 Financial instruments

Financial assets and financial liabilities are recognised when a Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) entity becomes a party to the contractual provisions of the instrument.

1.11 Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.11 Financial assets continued

Initial recognition and measurement continued

The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are as (Other) financial assets at amortised cost

Financial assets at amortised cost

The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) financial assets at amortised cost includes trade receivables and loans to related parties.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.11 Financial assets continued

Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) has transferred substantially all the risks and rewards of the asset, or
 - b) the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Impairment

Trade receivables

For trade receivables that do not have a significant financing component, the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) applies a simplified approach in calculating expected credit losses (ECLs) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

Therefore, the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) may also consider a financial asset to be in default when internal or external information indicates that the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) is unlikely to receive the outstanding contractual amounts in full. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.12 Financial Liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities. Financial liabilities are recognised and derecognised upon 'trade date'.

Other financial liabilities

Other financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs.

Derecognition of financial liabilities

The reporting unit derecognises financial liabilities when, and only when, the reporting units obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

1.13 Land, Buildings, Plant and Equipment

Asset recognition threshold

Purchases of land, buildings, plant and equipment are recognised at cost in the Statement of Financial Position. The cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

Depreciation

Depreciable property, plant and equipment assets are written-off to their estimated residual values over their estimated useful life using, in all cases, the diminishing method of depreciation. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

Depreciation

Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

| | 2019 | 2018 |
|------------------------|------------|------------|
| Buildings | 2-10% | 2-10% |
| Computer equipment | 7.5% - 30% | 7.5% - 30% |
| Motor vehicles | 22.5% | 22.5% |
| Furniture and fittings | 20 – 40% | 20 – 40% |

Derecognition

An item of land, buildings, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

1.14 Impairment for non-financial assets

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the reporting unit were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.15 Taxation

The reporting unit is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.16 Fair value measurement

The reporting unit measures financial instruments, such as, financial asset as at fair value through the profit and loss, available for sale financial assets, and non-financial assets such as land and buildings and investment properties, at fair value at each balance sheet date.

The principal or the most advantageous market must be accessible by the reporting unit. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Also, fair values of financial instruments measured at amortised cost are disclosed in Note 16.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 1 Summary of significant accounting policies continued

1.16 Fair value measurement (continued)

External valuers are involved for valuation of significant assets, such as land and buildings and investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the reporting unit has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

1.17 Going concern

Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) is not reliant on the agreed financial support of another reporting unit to continue as a going concern basis.

Note 2 Events after the reporting period

There were no events that occurred after 31 March 2019, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of the reporting unit.

|---------|---------------------------|------------|------------|
| Note 12 | Related Party Disclosures | | |

The following table provides the total amount of transactions that have been entered into with related parties for the relevant year.

| Revenue received from CEPU Divisional Conference includes the following: | | |
|--|------------------|------------------|
| Reimbursement of recruitment fees | | |
| Reimbursement of photocopying expenses | 2 2 | |
| Reimbursement of travel expense | 3 4 1 | |
| Expenses paid to CEPU Divisional Conference includes the following: | | |
| Capitation fees | 319,548 | 397,918 |
| Reimbursement of payroll tax expense | 40,469 | 42,700 |
| National Council Funding | 13,002 | 13,894 |
| Amounts owed to CEPU Divisional Conference include the following: Capitation fees National Council Funding | 42,195 17,534 | 36,975 13,984 |
| Expenses paid to CEPU T&S Vic Branch includes the following: | | |
| Reimbursement of insurance expenses | 8,989 | 7,571 |
| Reimbursement of electronic mailing expenses | 1,587 | - |
| Amounts owed to CEPU T&S include the following: | | |
| Workcover payable | 2,121 | |
| Reimbursement of electronic mailing expenses | 1,587 | - |

Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 March 2019, the reporting unit has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2018: \$Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

No property was transferred to related parties during the financial year ended 31 March 2019.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

| | 2019 \$ | 2018 \$ |
|--|--------------|------------|
| Note 15B: Net Income and Expense from Financial Assets | | |
| Loans and receivables | | |
| Impairment | 2 7 5 | |
| Net gain/(loss) from loans and receivables | 5 5 3 | |
| Cash and cash equivalents | | |
| Interest revenue | 46,777 | 37,692 |
| Net gain/(loss) from cash and cash equivalents | 46,777 | 37,692 |

The net income/expense from financial assets not at fair value from profit and loss is \$46,777 (2018:\$ 37,692).

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the reporting entity.

Credit risk is managed through maintaining procedures (such as the utilisation of systems for the approval, granting and removal of credit limits, regular monitoring of exposure against such limits and monitoring of the financial stability of significant customers and counterparties) ensuring, to the extent possible, that members and counterparties to transactions are of sound credit worthiness.

Risk is also minimised through investing surplus funds in financial institutions that maintain a high credit rating or in entities that the committee of management has otherwise cleared as being financially sound. Credit risk exposures

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

There is no collateral held by the entity securing trade and other receivables.

The reporting entity has no significant concentrations of credit risk with any single counterparty or group of counterparties. Details with respect to credit risk of trade and other receivables are provided in Note 5B.

Trade and other receivables that are neither past due nor impaired are considered to be of high credit quality. Aggregates of such amounts are detailed at Note 5B.

Note 15D: Liquidity Risk

Liquidity risk arises from the possibility that the reporting entity might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The reporting entity manages this risk through the following mechanisms:

- monitoring undrawn credit facilities;

- maintaining a reputable credit profile;

- managing credit risk related to financial assets;

- only investing surplus cash with major financial institutions; and

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timings of cash flows presented in the table to settle financial liabilities reflect the earliest contractual settlement dates and do not reflect management's expectations that banking facilities will be rolled forward.

| Interest rate risk | 1,762,740 | - 0.1% | (1,794) | 1 |

(ii) Price risk

Price risk relates to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices of securities held.

The entity is not exposed to securities price risk on available-for-sale investments

ABN 30 490 675 447

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 16 Fair Value Measurement

Management of the reporting unit assessed that cash, trade receivables, trade payables, and other current liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair value of financial assets and liabilities is included at the amount which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair values:

• Fair value of available-for-sale financial assets is derived from quoted market prices in active markets.

The following table contains the carrying amounts and related fair values for the reporting unit's financial assets and liabilities:

| | Carrying Amount 2019 \$ | Fair value 2019 \$ | Carrying amount 2018 \$ | Fair value 2018 \$ |

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

Note 18 Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or Commissioner:

- (1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

ABN 30 490 675 447

OFFICER DECLARATION STATEMENT

I, Leroy Lazaro, being the Branch Secretary of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria), declare that the following activities did not occur during the reporting period ending 31 March 2019.

The reporting unit did not:

- agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers to agreement regarding financial support not dollar amount)
- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- receive capitation fees from another reporting unit
- receive any other revenue from another reporting unit
- incur fees as consideration for employers making payroll deductions of membership subscriptions
- pay a grant that exceeded \$1,000
- pay legal costs relating to litigation
- pay a penalty imposed under the RO Act or the Fair Work Act 2009
- have a receivable with other reporting unit(s)
- have a payable to an employer for that employer making payroll deductions of membership subscriptions
- have a payable in respect of legal costs relating to litigation
- have a payable in respect of legal costs relating to other legal matters
- transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity
- have a balance within the general fund
- receive cash flows from another reporting units and/or controlled entity
- have another entity administer the financial affairs of the reporting unit
- make a payment to a former related party of the reporting unit

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL, PLUMBING AND ALLIED SERVICES UNION OF AUSTRALIA, COMMUNICATIONS DIVISION, POSTAL AND TELECOMMUNICATIONS BRANCH (VICTORIA)

Opinion

I have audited the financial report of the communications, electrical, electronic, energy, information, postal, plumbing and allied services union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) (the Reporting Entity), which comprises the statement of financial position as at 31 March 2019, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, the Committee of Management Statement, the subsection 255(2A) report and the Officer Declaration Statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of communications, electrical, electronic, energy, information, postal, plumbing and allied services union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria) as at 31 March 2019, and its financial performance and its cash flows for the year ended on that date in accordance with:

- (i) the Australian Accounting Standards; and
- (ii) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

I declare that the committee of management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

Basis for Opinion

I conducted the audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. I am independent of the Reporting Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to the audit of the financial report in Australia. I have also fulfilled my other responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of management is responsible for the other information. The other information comprises the operating report and the committee of management statement.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

Your financial future, tailored your way

Morrows Audit Pty Ltd ABN 18 626 582 232 AAC 509944

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL, PLUMBING AND ALLIED SERVICES UNION OF AUSTRALIA, COMMUNICATIONS DIVISION, POSTAL AND TELECOMMUNICATIONS BRANCH (VICTORIA)

Information Other than the Financial Report and Auditor's Report Thereon continued

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am to report that fact. I have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The Reporting Entity's committee of management is responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the committee of management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee of management is responsible for assessing the Reporting Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee of management either intends to liquidate the Reporting Entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design . and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, **INFORMATION, POSTAL, PLUMBING AND ALLIED SERVICES** UNION OF AUSTRALIA, COMMUNICATIONS DIVISION, POSTAL AND TELECOMMUNICATIONS BRANCH (VICTORIA)

Auditor's Responsibilities for the Audit of the Financial Report continued

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit audit. I remain solely responsible for my audit opinion.

I communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an approved auditor, a member of the institute of Chartered Accountants Australia and New Zealand and hold a current Public Practice Certificate.

In conducting our audit, I have complied with the independence requirements of the Australian professional ethical pronouncements.

COMPILATION REPORT TO THE COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION, POSTAL, PLUMBING AND ALLIED SERVICES UNION OF AUSTRALIA, COMMUNICATIONS DIVISION. POSTAL AND TELECOMMUNICATIONS BRANCH (VICTORIA)

I have compiled the accompanying special purpose Detailed Income and Expenditure Statement for the year ended 31 March 2019 of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing and Allied Services Union of Australia, Communications Division, Postal and Telecommunications Branch (Victoria). The specific purpose for which the special purpose Detailed Income and Expenditure Statement has been prepared is to provide detailed additional information relating to the performance of the entity that satisfies the information needs of the committee of management.

The Responsibility of the Committee of Management

The committee of management is solely responsible for the information contained in the special purpose Detailed Income and Expenditure Statement, the reliability, accuracy and completeness of the information and for the determination that the basis used is appropriate to meet their needs and for the purpose that the special purpose Detailed Income and Expenditure Statement was prepared.

On the basis of the information provided by the committee of management we have compiled the accompanying special purpose Detailed Income and Expenditure Statement in accordance with APES 315: Compilation of Financial Information.

I have applied my expertise in accounting and financial reporting to compile the special purpose Detailed Income and Expenditure Statement in accordance with the requirements of the committee of management.

Since a compilation engagement is not an assurance engagement, I am not required to verify the reliability, accuracy or completeness of the information provided to us by the committee of management to compile the special purpose Detailed Income and Expenditure Statement. Accordingly, I do not express an audit opinion or a review conclusion on the special purpose Detailed Income and Expenditure Statement.

The special purpose Detailed Income and Expenditure Statement was compiled exclusively for the benefit of the committee of management, who are responsible for the reliability, accuracy and completeness of the information used to compile them. I do not accept responsibility for the contents of the special purpose Detailed Income and Expenditure Statement.
